EXPERIENTIAL

Live creation can become part of the guest or brand experience.

Selected Work

PUBLIC, COMMERCIAL & COMMUNITY PROJECTS

Levi's Red Tab Members | 2026

Live airbrush customization transformed the creative process into part of the member experience. Jonathan created one-of-one pieces while guests watched the artwork develop in real time.

Braswell Child Development | 2025

Educational artwork designed for a child-centered environment, including exterior and interior pieces that added color, identity and visual storytelling to the facility.

Juneteenth Memorial Walk | 2026

Portrait-centered public artwork created around history, remembrance and community. The work was presented as part of the Juneteenth Memorial Walk.

Club Dada | 2024

Original mural work created for a recognizable Dallas entertainment venue, demonstrating Jonathan's ability to adapt his visual style to a public-facing cultural space.
